

KCC WALL DECOR COMPANY LIMITED

Wall Fabric Specification Sheet

Product Name: KCC Wall Fabric

Product Number: C-101 - C-110

Product Category: Wall Fabric

Product Description

- **Material:** FABRIC + XPE
- **Texture:** Rotary Screen Printing, High-Precision Embossing
- **Color:** Available colors as per catalogue
- **Surface Treatment:** Waterproof, Mildewproof, Stain-resistant
- **Dimensions:** 280 X 65 Cm (~1.82 m²)

Technical Parameters

- **Thickness:** 5mm
- **Weight:** 480g/m²
- **Tensile Strength:** ASTM D5035, ≥100 lbs
- **Fire Resistance:** M1, according to NF P 92-507:2004 Fire safety-building-interior fitting materials - Classification according to their reaction
- **Antibacterial Property:** ≥99% antibacterial rate
- **Mildew Resistance:** Compliant with ASTM G21 standard

Environmental and Safety Standards

- **Environmental Standards:** Class 4 OEKO-TEX Standard 100
- **VOC Emissions:** ISO 16000 standard
- **Recycling:** 30-50%

Installation Method

- **Installation Tools:** Pre-applied adhesive
- **Installation Type:** Directly use specialized adhesive for application
- **Maintenance:** Wipe with a damp cloth, do not use strong corrosive cleaners

Warranty Information

- **Warranty Period:** 12 months
- **Warranty Coverage:** Cracking, Peeling

Application Areas

- **Suitable Places:** Hotels, Office buildings, Homes, Restaurants
